

RK CRANES

Lifting Beyond Limits

RK CRANES

RK CRANES (RK), is the largest crane rental company in India. RK offers the safest heavy lifting solutions for infrastructure and core sectors of Indian Economy. **Headquartered in Chennai.** RK CRANES began its journey as a sole proprietorship company in **2006**.

With his farsightedness, RK's founder **Mr. Raj**, not only identified India's need for rapid infrastructure development but also predicted its future for cranes demand. Today, the company has a fleet of 200+ medium to large sized heavy duty telescopic and crawler cranes ranging from 9 to 600 (Ton) across 100+ operational job sites in India.

We are able to offer our clients unmatched professional service through our PAN India network of depots and skilled resources.

Our comprehensive portfolio primarily caters to the Wind, Steel, Railway & Metro, Power & Energy, Cement, Petrochemical and Infrastructure segments.

We are also specialized in supplying complete turnkey rental for Wind and Infra projects on a customized basis across India.

EQUIPMENT & FLEET

“Our Association Can Take Off Your Load”

RK CRANES sets the bar when it comes to Strengths and Services. We offer customized, need based Rental Solutions with a comprehensive range of cranes. Lately, we had major expansion of our fleet to tap the increasing demands of the market and our customer base.

MISSION

To be a global leader in crane rental and related engineering services through technological innovation.

VISION

RK CRANES is committed to being a top globally-ranked company in our core business with exceptional business ethics and morals.

VALUES

- Continuous Improvement
- Building and nurturing Mutual Trust
- Take ownership and focus on impact
- Human Dignity

QUALITY POLICY

We wish to delight our customers and exceeding their expectations by providing maintenance free cranes and

TRUCK MOUNTED CRANES WITH TELESCOPIC BOOM

We have truck mounted and all terrain telescopic Tyre mounted cranes ranging from **25-600(Ton)** in all configurations including main boom, fix jib, runner, luffing and derrick attachments.
